Key features

Playlists

Create a new playlist, give it a name, add some podcasts and save. Watch the playlist online to brush up on your knowledge or download it and take it out and about with you on your device.

My GCSEs

Keep yourself organised by viewing a list of all your exams in subject or date order. View an exam playlist to see all the podcasts relevant to that exam, select the areas you find tricky and download to watch on the way to school.

Assignments

View homework set by your teacher, watch the podcasts they have selected and complete questions to help test your knowledge on a topic. Results are instant so you can see which areas you still need to work on.

Downloads

Android/Blackberry/Windows users can download to a computer first or straight to your device. Apple users can download to iTunes or install the iPhone/iPad/iPod Touch app and save the podcasts for offline viewing.
