

Online safety is the child protection  
challenge of the 21<sup>st</sup> Century

How are we addressing it in our school?

# BE SMART

**SAFE** keep safe by not giving out personal information online

**MEET** meeting someone you have only met online can be dangerous. Always take a trusted adult with you

**ACCEPTING** emails, messages, from strangers can cause problems, release viruses

**RELIABLE** information may not be true or someone online might lie to you. Double check.

**TELL** always tell a trusted adult if something you see online upsets or worries you
