

You should complete **at least an hour's worth of work** for **each day** you would ordinarily have a lesson. You are encouraged to do more. Work completed and ready for checking should be sent directly to your teacher. You can take photos of it and send as an email attachment to the email address below.

Your teacher will be sending you a booklet each week. They will tell you in the email of what to complete each day. This term you will be working on dystopian fiction. Please read the following guidance (it will be the same each week):

- You can print and write on the sheets or read them on your screen and complete the work in your book – it's up to you.
- Each week (apart from the last one) there is a main text and 4 linked tasks –ending with the 200-word challenge. Your teacher will direct you through.
- Other than the worksheets you just need access to YouTube.
- You need to send pictures of your work to your teachers after every lesson.
- If you have any queries please email your class teacher, email addresses at the bottom of this document.

Any questions, make sure you contact your teacher directly and they will get back to you in due course. Teachers will be keeping records of those who are returning work and making direct contact with those that are not.
